most readers first encounter Augustine's love for scripture's words in the many biblical allusions of his masterwork *The Confessions*. Augustine does not merely quote texts but in many

ways makes scripture itself tell the story in his journey from darkness to light augustine becomes adam in the garden of eden the prodigal son of jesus parable and the pauline double personality at once devoted to and rebellious against god s law throughout he speaks the words of the psalms as if he had written them crucial to augustine s self portrayal is his skill at transposing himself into the texts he sees their properties and dynamics as his own and by extension every believing reader s own in christ meets me everywhere michael cameron argues that augustine wanted to train readers of scripture to transpose themselves into the texts in the same way he did by the same process of figuration that he found at scripture s core augustine discovered this skill by learning to read scripture as a work of divine rhetoric that mirrors the humility of the human christ who forms humble readers to ascend its spiritual heights tracking augustine s developing skill in reading scripture s figures as microcosms of the history of salvation during the first fifteen years of his christian life cameron shows how christ s self transposition into scripture s readers became the key to augustine s hermeneutics

this book is the 6th book in a series of socratic explorations of some of the great books the books in this series are intended to be short clear and non technical thus fully understandable by beginners through such socratic dialogues peter kreeft introduces or reviews the basic questions in the fundamental divisions of philosophy metaphysics epistemology anthropology ethics logic and method in socrates meets hume kreeft presents a socratic examination of enquiry concerning human understanding in relation to the skepticism of hume posing questions that challenge the concepts that hume proposed kreeft states that hume is the most formidable serious difficult to refute skeptic in the history of human thought kreeft invites you to take part in the process of refuting hume s skeptical arguments with the aid of socrates based on an imaginary dialogue between socrates and hume that takes place in the afterlife this profound and witty book makes an entertaining and informative exploration of modern philosophy
